

AKUTUR 50ML

AKUTUR drops provide a fast, powerful therapy for acute and chronic urological infections. As a biological alternative to antibiotics, this remedy usually eliminates even the toughest urinary tract infections within a few days. Provides overall support for the kidney, bladder and urinary tract by reducing irritation, inflammation and pain. **Akutur** cleanses the extracellular matrix to promote effective excretion of toxins and transport of essential molecules.

Recommended Dose: 15 drops 2-3x/day for chronic infections
10 drops 4-6x/day for acute infections
