

NATUROPATHIC LABORATORY SERVICES

CALGARY LAB SERVICES - PATIENT INFORMATION

Requisition Form

We will fill out a requisition form and fax or email a copy, on your behalf, to Calgary Lab Services (CLS) prior to your appointment.

Booking an Appointment

- You must book an appointment with CLS for sample collection. Appointments can be booked online at www.calgarylabservices.com or by calling 403-777-5136.
- The Calgary Lab Service website has a "Book an Appointment" option on the first page.

Payment of test

- Payments must be made to Resonance Wellness when you receive your requisition.
- There is no GST added for CLS Lab Services!

How long does it take to get results?

- Routine tests take approximately three business days. Lab results for non-routine tests can take anywhere from 1 to 3 weeks.

How tests are reported

- Calgary Lab Services will send your results to Resonance Wellness.

Follow up appointment

Once we have received your results, we will contact you to book an appointment with Dr. Gaul. This may be done as a Brief Appointment, a Brief Phone Consultation (both are 15 minutes and \$55.00) or a Return Visit (30 minutes, \$99.00).

This information is provided by our Resonance Wellness Team. Please do not hesitate to contact us for more information regarding Calgary Lab Services.
